The McHenry County Historical Society Board of Directors adopted this Strategic Plan in June 2022. It was presented to Society members for approval at the annual meeting in July 2022. This document’s purpose is to direct the work of the McHenry County Historical Society as it strives to fulfill its mission and to ensure future decisions are made in the best interests of the Society. Critical issues affecting the future of the Society were identified through data collection and led to the focus on three strategic areas and seven objectives. This Strategic Plan spans the three-year period from July 2022 through June 2025. It and the tactics for achieving the objectives will be reviewed annually in accordance with best practices within the museum field.
1. Revenue Source Development

2. Diverse Needs of Audiences

3. Building and Maintaining Member Relationships

4. Program and Collection Storage Space

5. Facilities Maintenance, Repairs, and Improvements

6. Volunteer Management
The 2022-2025 Strategic Plan of McHenry County Historical Society has been developed and adopted by the Board of Directors to ensure the continued improvement of Society operations and to enhance the fiscal condition needed to fulfill the Society’s vision of serving as a hub for local history, preservation, and educational outreach. The plan organizes the efforts of the Society around three strategic areas: Facilities, Fundraising/Development, and Outreach. Each area impacts and interacts with the others. The interdependency is evidenced by the seven strategic objectives.
Facilities Goal:
Align physical space requirements for all buildings with projected needs and with the direction charted for the Society.

**FACILITIES OBJECTIVES**

1. Compile a portfolio of information on each McHenry County Historical Society building, documenting the site's history, capability, uses, condition, maintenance schedule and legal documents.
2. Develop and execute an expansion plan to align space requirements with Society needs and direction to support the ongoing improvement, accessibility and sustainable practices of the museum, collection, exhibits, sites, and landscapes.

Fundraising/Development Goal:
Grow current revenue streams and identify new revenue sources to support the continued growth and development of the Society.

**FUNDRAISING/DEVELOPMENT OBJECTIVES**

3. Strengthen current member relationships and add new members.
4. Find and implement opportunities to grow community awareness of the museum.
5. Grow income through philanthropic giving, campaign appeals, grant seeking and donor relationships.

Outreach Goal:
Engage people of all ages, ethnicities, and backgrounds in the rich history of McHenry County.

**OUTREACH OBJECTIVES**

6. Use a variety of methods to enhance offerings to meet the needs of a culturally diverse community.
7. Improve volunteer management to support recruitment, retention, and recognition.
